About Me

Enthusiastic and detail oriented Full-Stack Python Developer with a strong foundation in web development, database management, and problem-solving. Good at Python, Django, JavaScript, React, HTML,CSS,Bootstrap and SQL, with a passion for building scalable and efficient web applications. Quick learner with a keen interest in emerging technologies and best coding practices. Eager to contribute my skills and grow in a dynamic development environment.

Education

MVR College of Engineering Technology   *DEC 2021 – Apr 2025*
Computer Science Engineering-Artificial Intelligence

- CGPA:8.5

Internships

Machine Learning Intern   *Jan 2024 – Feb 2024*
Atharvo India Pvt.Ltd

- Participated in applied dimensionality reduction techniques to optimize features.
- selection and improve model generalization capabilities.
- participated in regular code reviews with peers,resulting in higher quality code bases and more maintain solutions.

Full stack python development intern   *Mar 2024 – Nov 2024*
Coding Brains

- frontend development HTML, CSS, and JavaScript to build user interfaces.
- Developed scalable web applications using Python (Django) and modern frontend frameworks.
- The developed projects are deployed in github Pythonanywhere.com.

Skills

Programming Languages: Python,SQL,HTML,CSS,JavaScript.
Frame Works: Bootstrap,Django.
Libraries: Numpy,Pandas,React.
IDE's: Visual Studio Code,Jupyter Note Book.
Spoken Languages: Telugu,Kannada,English,Hindi(Basics).

Projects

Foodie Application: Designed and developed a dynamic web application that allows users to discover, rate, and review various restaurants and recipes. Link

Temperature Calculator: Developed a Temperature Converter Application to convert between Celsius, Fahrenheit, and Kelvin.Implemented user-friendly UI using HTML, CSS, js. Link

Portfolio: A portfolio is a collection of projects, work samples, and achievements that showcase your skills, experience, and expertise. It is especially useful for tech professionals, designers, writers, and creatives.Link
